? Please enclose a photo of the pioneer if possible (this will be returned) and a 300 word or less outline of the pioneers life in Queensland and the area he/she pioneered.

? If you can send this information on floppy disc or even e-mail, so much the better. It will make for easier processing.

? The information will be burnt onto a CD and housed in the Family History Centre at the Gayndah Public Library.

? It is intended to place the information on the Gayndah web page also for the convenience of future researchers.

? Photocopies of Birth, Death and Marriage Certificates are also acceptable if they can not be scanned onto floppy discs or e-mail.

✍ This form may be photo-copied as many times as required.
